

April 29, 2012

- Shelley Welsh: Thank you for all the prayers! This past Thursday I was able to transfer from my bed into the wheelchair. Woo-hoo!
- Shannan Shaw: Keep our family and friends in your prayers, through the good and the bad times. I pray that pastor Sherman has a speedy recovery.
- Sonia Salinas: Please pray for my boss and his family; may they find peace and serenity during this difficult time of losing their mother; may she be in the presence of the Lord.
- Ruth Szczeszinski: God thank You for my family, church, and bible study group. God guide the surgeons as they operate on Pastor Sherman, heal him completely & quickly. God, please heal me spiritually and emotionally but guide my steps & tongue; help me to be unselfish, patient, & compassionate. Please lead my husband, sons, parents, and extended family to You.
- Anonymous: I thank God for giving me the strength to forgive. Is it a sin for me to not forget?
- Jan Salac: Thank You for all my blessings. Please pray for all who are suffering and help them to seek Your will.
- Charlotte Rodriguez: Prayers for Pastor Sherman and all of our families in recovery.
- Gloria Ebers: Prayers for Pastor Sherman's health & body healing; praise for those who so faithfully serve others. I ask for prayers that I would wholeheartedly seek to serve, stepping away from just me – as pastor Ernie says “ put it into action”
- Madeline Nova: Pray for my son John and his sons, John & David. They have not had communication for 7 years.
- Jim & Debbie Martini: Praise LHCC for all the clothing, shoes, & bedding donations to the homeless/needy. Praise that more of our family members are returning to church! We pray for those who still have yet to return to their faith! Please pray for our family as we go through these trials with our family! Pray for Marty & Joann to return to church!
- Araceli Sosa: Please pray for my brother Rick and his family. His wife is due any day now and they have many financial challenges, and three teenagers. Prayer that they see what You have intended for them.
- Jesus Rodriguez: Thank You for blessing us all with knowing Corey Christenson. Thank You for keeping Pastor Sherman safe during his surgery.
- Sarah Harshey: Please continue to pray for me to stay on and choose God's path for me and my life.
- David Tseng: Prayer for Pastor Sherman for his healing and recovery soon. Give honestly to God.
- Jessica Rohlfing: Please continue prayers for my brothers. Also please pray for my eldest brother and his family as they endure financial difficulty.
- Luz Leal: Please pray for me on May 7, I have a very important appointment at 8 am; that appointment is very, very important but I know that God is with me so I am in His hands. Thanks.
- Henry Sanchez: Prayer for all of my family; hope all of our court days and our economy problems get resolved. I pray for my wife Luz to get well soon.

- Charlie Ornelia: Please pray for my godson Gregory. He is going to England to see his mom. Pray for his safety and for all to go well. He leaves Monday for two weeks.
- Alicia Ybarra: Praise God for the CAT scan results. He is glorified, Amen. Praise the Lord for the husband he blessed me with; I could not be more grateful, I Love You.
- Don Welsh: The surgeon is still concerned about Shelly's left foot and is thinking about another amputation, so please pray this does not happen.
- Haward New: Prayers for recovery from health problems for Albert, Jim Clark, Shane, Brian & Jack.
- Cindie Mederios: Praise that my son secured a job in La Habra; it is the perfect part-time job while he is in college. His current job is much farther away. A great savings in gasoline for him.
- Randy & Debbie Drake: Please pray for my granddaughter Malena, she has been real sick. Thank you.
- Maggie Rohlfing: Prayers for my son Armando and his family; to find a full time job, and to resolve the current problems at home.
- Annette Foster: Please pray for my cousin Dee, as cancer has spread through her body. God bless her.
- Cory Yoneda: Need prayer for my mother Glenice. She has suffered a heart attach and kidney failure. Thanks! God bless.
